Reviews and representations

Last Modified May 22, 2026

You can make a representation against an application for a new premises licence/club certificate or a variation of an existing licence/club certificate within 28 days of the application being submitted.

For problems with premises that are already licensed - when other attempts to resolve the problem have failed - an application can be made to the council for a review of that licence.

Licences and applications can be viewed on our [public licensing register](#). If you require any further details about an application please [contact us](#).

Representations and reviews must be relevant to one of the 4 licensing objectives:

- Prevention of crime and disorder
- Public safety
- Prevention of public nuisance
- Protection of children from harm
