Motor Homes, additional information.

If the vehicle takes up more than one space on a car park then two tickets should be purchased. If a disabled badge is displayed and the vehicle takes up more than one space then one ticket should be purchased for 3 hours for use of the extra bay. The blue badge is valid for 3 hours and a clock should be displayed on the dashboard showing your time of arrival. If you want to stay longer than 3 hours a ticket should be purchased for this bay to add on extra time.

EXAMPLE: Vehicle is longer than one bay and a blue badge holder. Arrived at 9am, wants to stay until 3pm. First 3 hours are free with blue badge and clock displayed showing your arrival time (for one bay). Buy three, 3-hour tickets. One to cover your vehicle overhang for the first 3 hours, and two 3-hour tickets. (covering the cost of occupying 2 bays for the remaining 3 hours).

We strongly recommend you park your motor home in one of our coach parks for two reasons.

- 1), The coach bays are longer meaning it's less likely your vehicle will overhang another bay and save the need for purchasing extra tickets.
- 2), Coach rate Pay and Display tickets are generally cheaper than those in force on our main car parks.

Overnight camping facilities are available at:
