

Cleaning and Shopping Services (Jan 2012)

This list has been produced by Blackpool Housing and Social Services to help you select a cleaning or shopping service from local private agencies. The list is for information only and may not be exhaustive. Remember, your local shop may deliver for no charge and large supermarkets can arrange Internet deliveries. Blackpool Council will only provide a cleaning and shopping service if it is incorporated in a package of care.

The inclusion of an agency does not mean that Blackpool Council either recommends or endorses the service.
