Proof of age card

Last Modified May 02, 2023

The PASS 18+ standard design

There is now a common 18+ design standard which applies to all proof of age cards bearing the PASS hologram.

Blackpool Council **no longer** produce PASS Accredited Proof of Age Cards.

We continue to support residents and traders by offering our assistance to other providers of the scheme.

We are happy to advise applicants on how to provide the necessary information to enable another scheme to produce a card and will fully support the PASS Scheme providers.

We would be happy to provide any leaflets and guidance to any traders wishing to receive information on the new updated card. Please contact us on 01253 478375.

PASS card providers

- CitizenCard

CitizenCard Application

Further information on the Proof of Age Card Accredited Standard Scheme (PASS) is available on their website

Please call Blackpool trading standards on 01253 478375 for further information and assistance.
