Skills for work

Last Modified September 02, 2025

We are working with the Lancashire Skills Hub to make sure people have access to the employment support and skills training they need during this difficult period and to assure you that there is help available whether you've been:

- Made redundant
- Furloughed
- Are at risk of redundancy
- Have been unemployed for a while

Follow the link below you'll find what support is available in Blackpool to help you learn new skills, access training courses, get careers advice and guidance and get one-to-one support to help you get back to work.
