Blackpool Family Hubs

Last Modified February 23, 2024

Our three Family Hubs have a varied timetable of free classes, events and activities on offer for local families, so we can offer a one-stop-shop for support for you and your family, but also a chance for your children to make friends and learn as they play.

Whether it's going to the café for a brew, accessing a baby group, or going to a parenting course or a session for young people, your local Family Hub has it all under one roof.

We are bringing services into the community and making them more inclusive and accessible.

These include:

- Housing support
- Birth registration
- · Advice on healthcare, parenting and family support
- Mental health drop-in sessions
- Adult learning courses and more
