# Blackpool family hubs

Last Modified August 04, 2025

[Our three family hubs](#) have a varied timetable of free classes, events and activities on offer for local families so we can support you and your family, but also give your children the chance to make friends and learn as they play.

Whether it's accessing an antenatal group, attending a health visitor appointment or a fun session for little ones, your local Family Hub has it all under one roof.

We are bringing services into the community and making them more inclusive and accessible.

If you fancy a cheap brew and a spot of breakfast or lunch too, both North and Central Family Hub are home to a lovely café – no booking needed, just turn up.
