Already being educated at home

Last Modified November 10, 2026

Usually, your previous local authority will inform us that you have moved into our area.

However, please contact us as soon as possible to let us know you are home educating and so we can contact you to discuss your plans for home education and offer any advice and guidance that we can ehe@blackpool.gov.uk.

If we don't have any concerns, we will ask to meet you once a year to discuss your on-going plans and to confirm that your child is not missing from education.

If your child has never been to school you don't have to tell us that you are home educating, but we would encourage you to do so.
