Blackpool Carers Strategy 2023 to 2028.

This strategy covers adult carers in Blackpool. An adult carer is adult who provides or intends to provide care for another adult. This document sets out how Blackpool Council will work together with key stakeholders over the next five years to: identify and support all unpaid carers across Blackpool; address gaps in current support for carers, reducing the pressures of caring by encouraging carers to take breaks and enabling carers to lead fulfilled, independent lives.
