Latest events in SEND

The Blackpool SEND partnership and other services around the town host a number of events throughout the year for social activities, training and networking.

For more information, see the [SEND events calendar](#).

Project Search are recruiting students for September 2026

Kick start your career and build your future. DFN Project Search is a workplace training programme for autistic young people or young people with a learning disability aged 16 to 24 who want to work.

For more information call 01253 477878 or email project.search@blackpool.gov.uk

Have a question?

If you have any questions or can't find what you're looking for, email us. We welcome your feedback and ideas about how we can improve the Blackpool SEND Local Offer for its users. Email local.offer@blackpool.gov.uk

SEND white paper

Links to a series of documents published by the government on the [SEND white paper](#).

Have your say on how the government can put children and young people first by completing this easy - read [consultation form](#).

Free online training for parents

Free online training courses have been added to the home page of the [parents area](#).

Share your feedback from working with children's education and/or social care services

The questions are based on the Blackpool Families Rock principles of head, heart and hands, which guide how we work with children and families in Blackpool. We would really value your feedback about your experiences with children's services. This might include support around SEND, education, or social care. What you share will help us understand what is working well and what we can do better.

[Give us your feedback](#)

SEND inspection improvement plan

Our response to the local area SEND inspection in May 2024 is in our [SEND inspection improvement plan](#).

You said, we did

We made changes to the local offer as a result of your feedback. [Find out more](#).

Meet the SEND team online events for parents

We held 7 online events for parents in 2024. [See our questions from parents and answers from professionals](#).

- Number of parents attended online events: 197
- Number of questions from parents answered during the sessions: 56

- Number of questions from parents discussed in greater depth after the session and fed back to parents: 5
