# PE and sport

Last Modified June 14, 2017

Blackpool PE and sport team is made up of qualified teachers and sports coaches and offers a range of services to schools including:

- Curriculum support
- Professional development for school staff
- Extra curricular organisation and delivery
- Access to high quality school sport competitions
- Health and safety guidance
- Links to national strategies and local initiatives

## Delivery programmes

Blackpool PE and sport team works closely with primary schools, secondary schools, special schools, educational diversity and further education settings across Blackpool to support the physical development and lifelong learning of the benefits of a healthy active lifestyle. A range of programmes are offered to schools which allows for wider involvement, examples of the programmes include:

- School games
- Sportivate
- Change 4 Life
- Blackpool Youth Games
- Early years
- Leadership and volunteering
- ProjectAbility
- Inclusion
- Healthy play – Community sport

Having such a varied programme allows for the demands and requests of each school to be considered on an individual basis and allows for them to be created to have the most effective impact on the children and young people involved.

All schools in Blackpool have specific schedules for the delivery programmes and will be able to provide you with further information should you require it.

## Contact

For information that does not relate to a specific school please contact the PE and sport team on 01253 478015.
