# Celebration and achievements

Last Modified August 01, 2025

We always want to celebrate you and your achievements!

We want to know about the things that you achieve. If you want us to we will be there when you get exam results, graduate or start your first job.

Your PA and the team really want to work with you to build a positive relationship. We are proud of all of you and we really want to know how well you are doing!

## Shake it up conference

In July of every year we hold the 'Shake it Up' conference. This is a chance for you to come together, get to know each other, have fun, spend time with social workers and personal advisors and have a shared voice about the service that Blackpool provide for you.

Tell us what works well and what we could be doing better.

## You Rock Awards

Every year we hold the 'You Rock Awards' in November. This is an event to celebrate how wonderful you all are! Music, food, fabulousness and fun are all part of the evening.

This is held at the Winter Gardens and the people who support you have the opportunity to nominate you for an award.

## National Care Leavers' Month

In 2025, National Care Leavers' Week became National Care Leavers' Month.

Please speak to your PA or participation lead Kirsty Fisher if you would like to contribute to planning the month long event.

Join us in November to celebrate you! Your PA will share our event timetable nearer the time, also keep an eye out of the event and activity session of our App The Core.
