Help at home

Last Modified July 16, 2024

Blackpool Council is committed to supporting people to remain as independent as possible.

There are many services and support which are there to help you remain in your own home.

You may need care and support to help you get washed, dressed or help prepare meals, you may want to arrange for an assessment of your needs to determine this support or you could arrange and pay for support privately.

We will [complete an assessment with you](#) to look at what help you may need.

If you are not eligible for council support or want to organise your own support we can provide you with advice, information and Fact Sheets on services and support available to you locally.

We may be able to advise you on services which meet your needs in the community.
