Foxhall Village development

Last Modified November 04, 2020

Site area

The development is on 2 sites, either side of Seaside Way. Site one is located to the west of Central Drive, south of Rigby Road and north of Blackpool Football Club and site two is in the area to the east of Blundell Street, north of Rigby Road and south of Princess Street.

The area includes the Sands Way, Rigby Road and Blundell Street car parks.

First new homes

Hollinwood Homes was developing a number of homes on this site under a Development Agreement with Blackpool Council. Unfortunately, Hollinwood Homes has now entered into administration and the land is currently with administrators. Discussions are taking place with all relevant parties to agree a way forward with the development.

The Council has an agreement for Great Places Housing Group to undertake the development of Phase 3 which will see the creation of much needed housing for affordable rent and will be offered to working people with a connection to Blackpool.
