At Home library service

Last Modified February 26, 2024

Our At Home library service is available for Blackpool residents who are unable to visit their local library due to illness, age or disability.

We can deliver library books and audio books to your home.

The service is based at Palatine library. Items are chosen by library staff to suit individual taste, they are delivered and collected once every 3 weeks on a set day as arranged by one of our library volunteers.

If you would like to take advantage of this service, or know of someone who would, please contact Palatine Library on 01253 478050 or email: athomelibrary@blackpool.gov.uk

Volunteering opportunity

This is a much valued service that we run with the help of volunteers.

If you would like to help us deliver books to people who are registered with our At Home library service, and you are over 18 with your own transport, please get in touch for more information.
