Online information and learning services

Last Modified April 30, 2026

Learning

Whatever your age or interests your local library is a fantastic place for you to visit to learn and discover new things.

There are various courses available in libraries, find out about the [courses run by Adult and Family Learning](#).

Link	Description
Access to Research	Discover a world of published academic articles and journals on a wide range of subjects.
BFI Replay	Watch digitised videos curated from archives across the UK. Free access is available in the library when using a public computer.
British Library	Workshops, activities and resources for schools, teachers and learners of all ages.
Learn My Way	Free online courses for beginners, helping you develop digital skills to make the most of the online world.
Digital Unite	Digital skills training and support for aspiring and experienced Digital Champions.

Family history

You can trace your family tree at your local library.

Link	Description
Ancestry	Discover your family history and build a family tree with the world's largest genealogy website. Free access is available in the library when using a public computer.
British Newspaper Archive	Explore digitised newspapers dating from the 1700s. Free access is available in the library when using a public computer.
Find My Past	Research your family history through historical records including the 1921 census, parish registers, military records and more. Free access is available in the library when using a public computer.

Business information

The library provides support and information for new and established businesses.

Link	Description
------	-------------

Ask About Business	Online support and information for pre-start and new businesses, job seekers, consumers, inventors and business students.
Blackpool Unlimited	A central gateway for local businesses offering business support and information.
COBRA - Complete Business Reference Advisor	Find all the information you need to turn your idea into a business.
