Getting married at the Wedding Chapel Blackpool

Getting married at one of the UK's most unique ceremony venues, The Wedding Chapel Blackpool, offers an unique experience like no other; there is nowhere on earth quite like it. Located on Blackpool's famous promenade.

This architecturally stunning building is beautiful both inside and out, and will provide the perfect ocean backdrop for your big day, large or small, day or evening.

Set on Blackpool's seafront, it is the first of its kind this century and the only building on the seaward side of the promenade where couples can get married by the beach.

Our team of highly professional ceremonies officers are on hand to support and guide you through the process step by step. Your ceremony is important to us and we want to make it special for you.

Here are a few features of our unique venue that can make your big day extra special:
