By taxi

Taxis and private hire vehicles play an important role in supporting the visitor and night-time economies. Horse drawn landaus provide promenade pleasure trips.

Taxis and private hire vehicles reduce the need for car ownership for the occasional car user. They provide an essential link between transport hubs, hotels and attractions. Hackney carriage stands are provided throughout the town centre.

Taxi companies are increasingly using smartphone apps to enable booking.

By coach

National Express coaches and a number of city operators bring services into the Blackpool Central Coach Station.

Modern coach vehicles are highly specified, rivalling rail for comfort, and fares are often very good value.
