Street beggars

Last Modified March 13, 2020

Change is more than a few coins!

We are aiming to reduce the amount of money people give to street beggars. Instead of giving money to street beggars please consider donating to services that can help instead.

Blackpool Food Partnership

Coordinating with the food banks [Blackpool Food Partnership](#) provides:

- Food
- Support
- Advice to charities and community groups that help rough sleepers and the homeless

Most of the time, the money you donate to a beggar may be spent to feed an addiction and not to buy food or pay rent.

Please think when giving money to beggars and consider donating that money to the food partnership instead.
