Pest control

Last Modified May 19, 2026

Blackpool Council provides a pest control service for domestic properties and commercial customers.

Domestic pest control

Type of pest	Charge
Rodents (rats and mice)	£106.54 up to 3 visits by the pest controller for a 3 bedroom house, advice to prevent future infestations. An additional £10 per bedroom will be charged for larger properties.
Insects (ants and fleas)	£79.32 to cover a one-off for up to 6 rooms. Additional rooms will be charged £8.69 (£8.88 from 30 March 2026) per extra room and the cost of insecticides used. Please note: we do not treat woodworm beetles or bedbugs.
Bees and wasps	£68.06 to treat affected areas outside and inside. We can't treat locations higher than two stories tall, or attics that aren't boarded. Some types of bees can't be treated as they are protected. Our pest control officer will advise on the type of bee you have.

All our staff have been risk assessed to enter properties.

Customers will be required to maintain social distancing of minimum 1 m away from our staff whilst they are in your premises.

On arrival if the pest control officer decides he doesn't need to carry out a treatment and only needs to offer advice, then we will charge £23.16.

We will then refund the rest of the fee you paid

A £10 discount is available to pensioners and people of certain benefits.

Please note: All treatments are carried out on a pre-pay basis only
