COVID-19 advice for contacting planning

Last Modified November 16, 2021

COVID-19 affected services for planning, building control and land charges

The advice in relation to COVID-19 (Coronavirus) is changing constantly as is the position in relation to the number and severity of reported cases.

As a result we're monitoring and regularly reviewing the situation and responding accordingly.

With immediate effect Planning, [Building Control](#), Planning policy and Land charges are only accepting electronically submitted applications and or requests. The contact details for each section are found below.

[Temporary changes to the Building Control service](#) can be found on our website. If you need to report a dangerous structure please ring **01253 477477**.

Planning applications (Development management)
