# Greening Blackpool SPD adoption statement

Last Modified April 25, 2025

The Greening Blackpool Supplementary Planning Document (SPD) was adopted by Blackpool Council on 24 March 2025.

The SPD provides guidance on the requirements for green infrastructure in developments in Blackpool, including conversions. It explains why green infrastructure is required and how it should be delivered, expanding on planning policy in the Blackpool Local Plan.

Any person aggrieved by the decision to adopt the SPD may apply to the High Court for permission to apply for judicial review of that decision. Any such application must be made promptly and in any event not later than three months after the date on which the SPD was adopted.

[The SPD, consultation statement summarising the main issues raised during the formal consultation period and how these were addressed can be viewed on the Council's website](#) at link to consultation statement

Alternatively, the SPD, Consultation Statement and Adoption Statement can be viewed by appointment only at the Customer First Centre, Corporation Street, Blackpool, FY1 1NF during normal opening hours (contact 01253 477477).
