# Help with your collection

Last Modified January 23, 2026

Blackpool Council offers an assisted collection service for residents who struggle to present their bins on their collection day. All we ask is:

- There are no other members of the household over the age of 16 that could possibly help
- If you live in a terraced property then you will need to put your house number on your back gate so we can easily identify your property

## Apply

A waste officer will call to confirm your application and may also need to visit you to assess the property and location.
