Order or swap a bin

Last Modified April 23, 2026

New brown bins

We are currently replacing brown bags with new brown bins. This is happening on your collection day. If you find that your brown bag has not been replaced after your collection we may be closely behind delivering your new brown bin. If a bin doesn't arrive by the end of the day you can order a new bin above or if you have any questions, [please complete our waste enquiry form](#) and a member of the Evenco team will contact you. Don't worry if you didn't present a brown bag and a new bin hasn't been delivered and your neighbours have, we will be coming back soon.

Grey, blue or green bins

If you have lost your bin then we will replace these at a cost of:

- Blue - £16
- Grey - £16
- Green - £16

If you have completed a [family waste audit](#) and are eligible for a further grey bin we will supply these at a cost of £30 each.

Blue bin swaps

If you currently have a small blue bin we are in the process of replacing these with a new larger bin to help you recycle more.

[Request a bin swap now](#)

If you have any questions about this process [please complete our waste enquiry form](#) and a member of the Evenco team will contact you.

Repairs

Please note from 1 April 2020 repairs of wheels and lids on wheeled bins are **no longer free of charge**. There is now a replacement charge of £16.

[Order, replace or swap a bin](#)

New builds and conversions

Grey and blue bins for new builds and conversions are charged at £30.

Green bins will be charged at £30 per bin when subscribing to the garden waste collection service.

New resident

If you have recently moved into a property and the bins are missing there is a charge of £16 per bin for a grey and blue lidded bin.

We will deliver brown recycling sacks for free.

Please telephone 01253 477477 to arrange these.

Extra grey lidded bins

If you feel you that one grey bin is not big enough for your family. Or there is a medical reason that means you have large amounts of rubbish we may be able to give you a larger or extra bin.

You will need to [complete an application form](#) and a waste officer will need to conduct a waste audit at your home.

If your application is successful we will give you an extra grey lidded bin for a charge of £30.

[Request a family waste audit](#)

Please note: We will only collect bins that we have issued to you.

Privacy notice

Your data will either be collected by or shared with Envenco NW Environment Services, who acts as a contractor for Blackpool Council. Information on how they process their data can be found on their website, hard copies can be made available on request.

This service is provided by [Envenco NW Environmental Services](#) on behalf of Blackpool Council.
