Collection of bulky items

Last Modified March 13, 2024

Bulky Matters is a partnership between us and the charity Furniture Matters, which aims to transform Blackpool's bulky waste into a reusable resource to benefit the community.

The service is available to **residential addresses only***. Collections can be booked for a morning, afternoon or an evening with a choice of a number of collection slots. There are also some weekend slots available.

The service collects the following household items:

- Furniture, including bed frames and mattresses
- Soft furnishings
- Domestic electrical appliances
- Kitchen items
- ICT equipment
- Toys/games and bicycles

These will then be distributed to local people therefore reducing the amount of waste sent to landfill and helping those who need support.

Cost of service

For bookings there is a minimum charge of **£21 for up to 3 items**. Additional items are charged at £7.50 each.

The service is run on an appointment only basis so you will be able to choose the day and time of your collection.

Amendments

We are currently unable to add additional items to your booking or make amendments to the scheduled collection.

If you wish to cancel your collection please complete the request form
