# Assistive equipment recycling

Last Modified November 13, 2025

Our return to reuse equipment scheme collects and recycles unused equipment and daily living aids that have been provided by [Blackpool Equipment Service](#).

The scheme aims to give residents several ways of returning the items they no longer use so they can be restored and then reused helping minimise waste.

The items that can be dropped off are:

- Wheeled rollators and walkers
- Standing and transfer/turning aids,
- Perching stools, dining walking trolleys
- Mattress elevators, bed rails
- Pressure relieving aids – gel cushions, wedges, inflatable cushions, mattresses, heel protectors
- Mobile commodes, shower commode chairs
- Swivel bath seats, shower chairs
- Seating, chair raisers

Unfortunately we can't accept any electrical or powered items or anything that has been hired.
