To make sure businesses do not use the site to dispose of commercial waste you will need a permit to tip in a commercial-type vehicle.

Permits allow you **one visit per month for 12 months** and will be subject to an administration charge of **£13.50**

Please ensure you give plenty of time to order your permit it before you need it. You will need to apply for your permit **at least 7 to 10 working days before** your planned visit.
