Rangers session

Last Modified June 18, 2025

Welcome to our 0 to 4 and junior rangers sessions, these will run from Monday 24 February 2025 to Thursday 10 April 2025. Each week we will explore the outdoors and embrace all that nature has to offer to you and your baby/toddler.

Babies and toddlers are given the opportunity to develop their senses and understanding of the natural world with the support of their caregiver. Activities are 'hands on' and will sometimes involve natural elements such as mud/water so please dress ready to get involved and a spare set of clothes for little ones are recommended.

We encourage those who are booking to try and attend all the 5 weeks as spaces are very limited so that the best experience can be provided. We are running these sessions as a trial ready for them to be more frequent after the new year. If you are unable to make a session please let the ranger know.

An email will be sent to confirm places and this will also have the meeting location attached.

We look forward to meeting and seeing you.
