# Supported accommodation complaint form

Last Modified June 18, 2025

We want residents of supported housing to have safe, appropriate accommodation which meets their needs.

As part of the implementation of the supported housing improvement programme we are required to provide data to central government recording the number of concerns raised.

If you have a concern about supported accommodation you can report this to us.

Please note this form does not replace any other complaints procedure, for example through the accommodation provider/landlord,/housing enforcement or planning.
