Co-production Blackpool

Last Modified April 28, 2025

Blackpool Council's co-production team is committed to working in partnership with young people, parents, carers, and professionals to shape services that are inclusive, effective, and meaningful.

Our work is rooted in the learning and legacy of the **HeadStart Blackpool Programme**, which formally concluded in July 2022. However, the Resilience Revolution continues — and so does our commitment to its core principles:

- Co-production
- Systems change
- Social justice
