Meet the Blackpool co-production team

Last Modified May 22, 2026

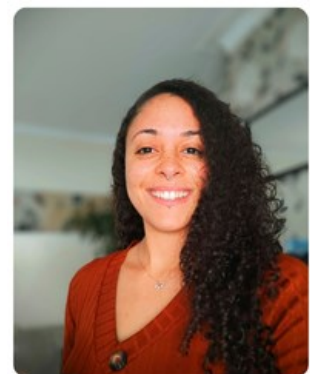

The co-production team is made up of passionate and committed individuals who believe in the power of working together to create positive change. We bring a wide range of skills, experiences, and perspectives — but what connects us all is our belief in the values of co-production, social justice, and systems change.

We work alongside young people, parents, carers, professionals, and community members to build strong partnerships and embed co-production across Blackpool
