Community engagement

Last Modified June 15, 2022

Have your say on the community engagement strategy

Thank you to everyone who took the time to provide feedback on the Community Engagement Framework.

There were over 150 responses provided from across Blackpool both through the online survey and the drop in sessions across the town.

The feedback was then independently reviewed by Healthwatch Blackpool who provided a report of their findings. This report alongside the feedback is currently being used to refresh and update the document.
