Ways to pay

Please have your account reference number ready when contacting us about your business rates bill.

Direct Debit

Direct Debit is the quickest and most efficient way to pay your business rates bill:

- Payments are made automatically and payment dates will not be missed
- You remain in control and have a money back guarantee
- It saves you time and money – no queues, cheques or stamps

The correct payment will be debited from your chosen bank account on the same date each month which means no more queuing or worrying about forgetting to pay.
