Planning and building regulations

If you are intending to buy or lease a commercial or industrial property it's important that you check that the correct planning consents are in place.

The UK government's online [planning and building regulations tool](#) is full of resource for England and Wales.

In addition, [Blackpool Council's planning department](#) can offer support if the property is in Blackpool

If the property is in Fylde or Wyre you would need to contact the relevant planning authority.

Local land charges

A [local land charge](#) is a binding obligation on property or land, which passes to successive owners or occupiers, therefore it is vital to check if any charges exist before purchasing property/land to ascertain if there are any legal obligations attached to the charge.

Business rates relief

Certain types of property or business may be entitled to relief (discount) on their rates. Visit the business rates section to [find out if you would be eligible](#).
