Reviews and representations

Last Modified September 17, 2019

[Skip to main content](#)  

You can make a representation against an application for a new licence or a variation of an existing licence. For problems with premises that are already licensed - when other attempts to resolve the problem have failed - an application can be made to the council for a review of that licence.

Representations and reviews must be relevant to one of the 4 licensing objectives:

- Prevention of crime and disorder
- Public safety
- Prevention of public nuisance
- Protection of children from harm

Review a premises licence

A review can be submitted by any member of the public or any of the responsible authorities. When a review has been applied for, any responsible authority or any other person can make a representation on that application within 28 days. A hearing will then be arranged within 20 working days to determine the review.
