Leaflet distribution

Last Modified May 05, 2020

If you want to give out free printed material – such as promotional leaflets, flyers, newspapers and business cards used to promote a product, venue or an event - you need to apply for consent from the council.

The council has adopted powers to control the distribution of free printed material within designated parts of the town to reduce the amount of litter in those areas.

Details of those areas which are subject to control can be found in the [guidance notes](#).

The distribution of free printed material by or on behalf of a charity is exempt from controls, as is material distributed for political or religious purposes.

Apply for consent to distribute free printed material

Download and complete the [application form \[PDF 56KB\]](#). The completed form together with the correct fee should be sent to the licensing service no less than 7 days before the distribution is due to commence.

Fees are variable according to the time and duration of the permit – please refer to the [guidance notes](#) for further details.
