House to house collections

Last Modified March 25, 2024

If you wish to collect money or property for charity from houses, pubs or shops you need a licence from the council. Licences can be for the whole or parts of the borough.

- The council issued licence must kept on the person at all times during the collection. The collection cannot take place without Identity badges (from [The Stationery Office.](#))
- The collection should be into sealed collection tins
- Persons under the age of 16 years cannot act as a collector of money
- Collections should not take place after the hours of darkness. This is so as not to disturb elderly residents. Collectors should not remain in/at the door of any house if requested to leave by the occupant
