Conditions

The applicant must:

1. Ensure that the signing, lighting and guarding of the site is in accordance with or exceeds the requirement of current legislation and approved codes of practice for the duration of the works.
2. Ensure that all required licences are obtained and remain in force for the duration of the works.
3. Ensure that all conditions laid out in 'Blackpool Councils Hoarding Licence Terms and Conditions' are complied with.
4. Comply with any changes to the site as required by an authorised Officer from Blackpool Council or a Police Constable in uniform.

The Hoarding must not be placed onto the Highway until a licence has been granted

It is your responsibility to submit plans as required to other Authorities such as Building Control and the Health and Safety Executive, this licence only entitles you to temporarily occupy an area of the Highway and not to approve the design or structure.

This form along with the associated fee and a plan showing the dimensions and location must be returned a full 5 working days prior to the date required.

Incomplete forms will delay processing the application

Agreement

I confirm that I agree to comply to the conditions detailed above and to be bound by the limitations of the licence and have arranged payment of the associated fee
