For renewal applications your renewal letter will confirm the year in which the photograph is next required. You are only required to submit a passport photograph once every 10 years unless your appearance substantially alters. One full colour passport sized photograph complying with the following requirements must accompany the application:

- 45mm x 35mm photograph on photographic paper
- Applicant must be viewed "full face" with eyes open
- No hat/head covering should be worn unless for religious reasons
- No sunglasses
- Photographs must be in sharp focus and clear against a light background so applicants' facial features are distinguishable and contrast against the background.

### Disclosure & Barring Service (formerly known as Criminal Records Bureau) check

A Disclosure & Barring Service (DBS) check is required for all new applicants (and for renewals if indicated on your renewal pack cover letter.) You will need to provide an email address on your application form - we will then send you a link with your unique username and password to complete your DBS application online. In addition you must:

- 1) Pay the appropriate fee
- 2) See page 7 for identity documents required following submission of your application

### Disclosure & Barring Update Service

It is the licensing authority's policy to require applicants to register for the DBS's update service and to nominate the licensing authority to receive updates. Registration costs £13 per year. Licensees are expected to maintain this registration and nomination throughout the duration of their licence. Details of how to register for the update service can be found on the Blackpool Council website and the following web address can be used to register for it:

<https://secure.crbonline.gov.uk/crsc/subscriber>

**Please note that you must register for the update service within 19 days of receiving your DBS certificate.**

### Medical Check

Medicals are required by all new applicants and for renewals if the necessary form is enclosed with the application pack. The medical certificate must be returned to the licensing service directly from the doctor before the licence can be issued – it must not be handed to the patient.

**Please note the medical check is mandatory each year if aged 65 or over.**

### DVLA Driver Licence Check

The Licence Service will carry out checks on your licence through a third party checking system called 'Davis Checks' in order to complete the check we will require your photo card driving licence to be produced to our office.

If you are unable to produce a photo card driving for any reason or you are still using an 'old style' paper licence you will be required to fill in a mandate either electronically via email or manually at our licensing counter.

### Right to Work Check

The Immigration Act 2016 requires that all taxi drivers complete a 'Right to Work' check.
