### Notes for Guidance

1. Describe the premises. For example the type of premises it is, its general situation and layout and any other information, which would be relevant to the licensing objectives.

2. Right to work / immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- Does not have the right to live and work in the UK; or
- Is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their "share code" to enable the licensing authority to carry out a check using the Home Office right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK:

- A certificate of application, less than 6 months old, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgment letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

If the document copied is a passport, a copy of the following pages should be provided:

- i) Any page containing the holder's personal details including nationality
- ii) Any page containing the holder's photograph
- iii) Any page containing the holder's signature
- iv) Any page containing the date of expiry, and
- v) Any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at [www.gov.uk/provide-right-to-work](http://www.gov.uk/provide-right-to-work) which, along with the applicant's date of birth (provided within this application) will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

3. The application form must be signed.
4. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
5. Where there is more than one applicant, either both applicants or their respective agents must sign the application form.
6. This is the address that we shall use to correspond with you about this application.

In order to assist with your application under the licensing Act 2003, Lancashire Constabulary ask if you could provide the following information, which is offered on a voluntary basis, to speed up the application process.
