Hackney carriage and private hire driver

Last Modified May 14, 2020

If you want to drive either a hackney carriage or private hire vehicle you must first obtain a licence.

All hackney carriage and private hire drivers are issued with an identification badge with a photograph on it which must be worn at all times.

We advise members of the public to check that a driver has such a badge before getting into a vehicle.

Drivers are licensed for the safety and protection of the public and go through numerous checks before being issued with their licence.

Apply for a licence

You should read the [guidance notes \[PDF 42KB\]](#) before applying. [A list of fees](#) is also available

In order to be licensed as a hackney carriage or private hire driver, you must:

- Complete the [application form \[PDF 137KB\]](#) for a hackney carriage/private hire driver
- Hold a current driving licence which is at least 12 months old
- Complete an enhanced Disclosure and Barring Service (DBS) check which shows you have no criminal convictions or you have been determined by the public protection committee to be a fit and proper person. When you first apply to us you will need to provide an email address on your application form - we will then send you a link with your unique username and password to complete your DBS application online. Once your initial check has been done you will then need to subscribe to the [DBS Update Service](#) throughout the duration of your licence.
- Pass a [medical examination](#) to DVLA Group 2 standard
- Pass our 'knowledge test' of roads and landmarks in Blackpool. The test also includes questions on taxi law and policy, the Highway Code and the safeguarding of children and adults
- Prove that you have the right to work in the UK. You will need to provide document(s) from the [checklist](#) to demonstrate this with your application

You also need to provide a passport sized photograph of yourself and another proof of address in addition to your driving licence, for example, a utility bill or bank statement.

Within a year of being licensed you must pass a BTEC/NVQ/VRQ qualification in transporting passengers by taxi or private hire, or other council approved qualification. Failure to pass such a qualification will result in any renewal application being refused and may lead to existing licences being revoked.

This course is available at Blackpool and the Fylde College. Telephone 01253 352352 for more information.

Duration of licence

Applicants historically had the choice of applying for a 1 year or 3 year Hackney Carriage or Private Hire Driver's licence.

Since April 2018 the licensing service has removed the option of a 1 year licence and all applicants must now apply for a 3 year licence.

The change came about as a result of amendments made by the Deregulation Act 2015, one of which was to change the duration of Hackney Carriage and Private Hire drivers' licences to 3 years rather than 1 year.
