Pupil Premium Plus funding is additional funding from the Department of Education to raise the achievement of looked after pupils aged 4 to 16 in maintained schools or academies.

The aim of Pupil Premium Plus is to close the achievement gap between looked after children and children who are not in care. Pupil Premium Plus funding is managed by the Virtual School team and £2025 per year is available for each looked after child (£700 in the summer term, £700 in the autumn term and £625 in the spring term).

The Department for Education recognise that not all looked after children need the same support, and that funding should be allocated on the basis of need. The social worker and designated teacher for the child are required to arrange a PEP meeting and complete the ePEP process via the Welfare Call website.

They should request funding linked to improving the educational outcomes of the child and the Virtual School will release the funds upon the completion of a good ePEP.

If you have any queries about Pupil Premium Plus, please contact Gemma Newton, email gemma.newton@blackpool.gov.uk or telephone 01253 477027 or 07917 394590.
