# Selling to the council

Last Modified November 08, 2019

[Skip to main content](#)  

We spend in excess of £100 million per year on supplies and services, providing commercial opportunities to businesses of all sizes. Our objective is to secure the best value for money whilst seeking to create opportunities to help companies and boost employment.

## Types of procurement

The estimated value of the contract determines which procurement route we are required to follow.

## Advertising procurement opportunities

We use e-tendering as our primary system to manage tenders and quotations.

Any company wishing to be considered for supplying to us, must register on the [e-tendering portal - The Chest](#).

Suppliers only need to register once and this is free of charge. From here you can also browse our current opportunities

For further guidance please read our [Instruction Guide for Suppliers - The Chest](#).
