Local restrictions and government guidance

Last Modified April 13, 2021

From March 29, the 'stay at home' rule is now lifted. However, many restrictions will remain in place. You should continue to work from home if you can and limit the number of people you come into contact with.

Let's take this next step safely.

Hands. Face. Space

Remember - 'Hands. Face. Space.'

- Hands – wash your hands regularly and for at least 20 seconds
- Face – wear a face covering in indoor settings where social distancing may be difficult, and where you will come into contact with people you do not normally meet
- Space – stay 2 metres apart from people you do not live with where possible, or 1 metre with extra precautions in place (such as wearing face coverings)

Roadmap out of lockdown

Businesses and venues

Travelling

Exercising and meeting other people

Going to work

Support and childcare bubbles

Going to school, college or university

Care home visiting

Shielding for clinically extremely vulnerable people -
Subject to change

Childcare

Weddings, civil partnerships, religious services and
funerals

Report businesses not complying with regulations
