Notify us of a death

We need to know about a death so we can update the Council Tax account.

We will deal with the information sensitively.

We will help with Council Tax arrangements:

- If you are now the only adult in the household, we will give you a single person discount
- If the person was an owner-occupier who lived alone, you can apply for an exemption for the property from Council Tax until it's occupied again, or until probate is granted. However, charges may become payable after six months
- If there is any refund due we will pay to the executors of the estate
- If there is any money outstanding we will send a bill to the executors of the estate, who can contact us to discuss a suitable payment plan
- If the household is claiming Housing Benefit and/or Council Tax Reduction we will adjust the claim as necessary

Please notify us [via our dedicated advice page](#).

Discounts, exemptions and reductions

You can also advise of any changes to your property, including empty periods, children reaching the age of 18, children attending further or higher education or changes to your finances. These are:

- [Discounts - including single person discount for living alone](#)
- [Exemptions - including where the property has fallen empty, or the property is fully occupied by qualifying students](#)

- [Reductions - where you seek assistance due to a change in your household income](#)
