

St John's CE Primary School

Admissions Policy

2020/2021

Review period: 1 year

Date policy last reviewed: October 2018

Person Responsible for Policy: Mrs. N. Galloway

St. John's C.E. Primary School

Admissions Policy 2020/21

Admissions Criteria

At St. John's C.E. Primary School our annual agreed admissions number is 30. This means that we will admit a maximum of 30 children to the Reception year group in the year **2020**. This arrangement follows consultation between the Governing Board and the Diocesan Board of Education, Blackpool Children's Services Authority and other admission authorities in the area. The Governing Board will not place any restriction on admissions to the Reception classes unless they are advised that the number of children for whom admission is sought exceeds this number. By law no infant class may contain more than 30 children.

The Governing Board operates a system of equal preferences, under which they consider all preferences equally according to its policy. If more children apply than we can take, after admitting children with statements of special educational needs or Education, Health and Care Plan naming the school, the governing body will allocate places using the following criteria, which are listed in order of priority:

1. Children in public care and previously looked after children.
2. Children with special medical or social circumstances affecting the child where these needs can only be met at this school.
3. Children who have an elder sibling (not in Year 6) on role at the time of application and still on role when the offer of a place is made to the younger child.
4. Children with a parent/guardian who worships in a church in membership of Churches Together in England.
5. Children with a parent/guardian who worships in a non-Christian faith centre in membership of the UK Interfaith network.
6. Children whose parents live within the ecclesiastical parishes of St. John's, St Thomas' and Christchurch with All Saints.
7. Other children

Notes:

1. This includes any "looked after child", "previously looked after children" and any child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order. 'Looked after' means that the child was (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions. This criterion will also apply to children who were previously in state care outside of England and have ceased to be in state care as they have been adopted. This is in accordance with advice from the Minister of State for Schools. These are children who were looked after outside of England by a public authority, a religious group or another provider of care whose sole

purpose is to benefit society (eg orphanages). Parents / carers will be expected to provide evidence of previous looked after status. If this proves difficult, or not possible, they should contact the School Admissions Team for advice.

2. Professional supporting evidence from e.g. a doctor, psychologist, social worker is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why St. John's CE Primary School is the most suitable school and the difficulties which would be caused if the child had to attend another school.
3. Siblings include step, half, foster, adopted brothers and sisters living at the same address.
4. "Parental worshipping" is normally taken to mean a minimum of monthly attendance at church at public worship for over at least one year. The date on which this is judged is the 1st September in the year of application for admission to the school.
The governors will request confirmation of this from the relevant member of the clergy or church officer.
The list of Churches can be found on the *Churches Together in England* website at cte.org.uk, and is taken as that on 1st September in the year of application for admission to the school. The list must not include groups outside the main stream. Churches in membership of the equivalent bodies in Northern Ireland, Scotland and Wales are accepted.
5. Children with a parent/guardian worshipping in a non-Christian faith which is in membership of the UK Interfaith Network
The major world faiths are those in membership of the UK Interfaith Network; in addition to Christians, it includes Buddhists, Baha'is, Hindus, Jains, Jews, Muslims, Sikhs, and Zoroastrians. The parent must meet the normal religious obligations of the faith. The governors will request confirmation of this from the relevant member of the clergy or worship leader.
6. A map showing the boundaries is available at the school office. Temporary addresses will not necessarily be accepted when allocating place under this criteria. Please note that proof of address may be requested.
7. Where there are more applicants for the available places within any category, then distance to home (Ordnance Survey address points for both the home and the school measured in a straight line) will be used as the final determining factor, nearer addresses having priority over more distant ones. In the event of equal distance, a random allocation will be used to determine who takes priority for a place. Temporary addresses will not necessarily be accepted when allocating place under distance criteria. Please note that proof of address may be requested.

Admissions application information for September 2019

Admission information for September 2019 will be available in May 2019

Admissions Process

Applications for admission to the school for September 2020 should be made on-line at www.blackpool.gov.uk/schooladmissions or on the Common Application Form between September 2019 and 15th January 2020. It is not normally possible to change the order of your preferences for schools after the closing date.

Parents who wish their application to this church school to be considered against the faith criteria should also complete the questions on the common application form about their faith reference. **If the school is oversubscribed, a failure to complete these supplementary questions may result in your application for a place in this school being considered against lower priority criteria as the Governing Board will have no information upon which to assess the worship attendance.**

The Supplementary Information Form is available from the school and on the school website.

Paper application forms can be obtained from Blackpool Council's School Admissions Team or from the school office. Applications may also be made on-line and, if applying on faith grounds, the relevant supplementary form is available from the school office and website.

Parents are welcome to visit the school prior to making any decision regarding applying for a place. If there are more applications than places available the admissions committee will meet in February 2020 to allocate places. Notifications informing parents of whether or not their child has been allocated a place will be sent out by the Local Authority circa **16th April 2020**. Parents of children not admitted will be informed of the reason and offered an alternative place by the Authority.

Address of pupil

The address used on the school admission form must be the current one at the time of application however, temporary addresses will not necessarily be accepted when allocating places. If the address changes subsequently, parents should notify the school immediately. Where parents live at different addresses, the one where the child wakes up for the majority of Monday to Friday mornings will be used. Parents may be asked to provide evidence of the claim that is being made for the address e.g. official document or letter, showing the child's address as the one claimed. Where there is dispute about the correct address to use, governors reserve the right to make enquiries of any relevant third parties e.g. the child's GP. For children of UK Service personnel and other Crown Servants returning to the area, proof of the posting is all that is required.

Late Applications

Where there are extenuating circumstances for an application being received after the closing date for applications, and it is before the governors have established their list of pupils to be offered a place, then it will be considered alongside all the others. Otherwise, applications which are received after the last date will be considered after all the others, and placed on the waiting list in order according to the criteria

Deferred admission

If your child is due to start school during the next academic year, it is important that you apply for a place for September. St John's CE Primary School follows our Local Authority Admissions Team's guidance and procedures for requests for delayed or deferred entry. Please note however, that as a school we do feel that in almost all cases it is in your child's best interest to start in September so they settle in and become part of their class very early.

Infant Class Size

The Education (Infant Class Sizes) (England) Regulations 1998 (SI 1998/1973) as amended by SI 2006/3409 prescribed that infant classes must not contain more than 30 pupils with a single qualified teacher. (The School Admissions (Infant Class Sizes) (England) Regulations 2012 – introduces certain exceptions relating to children of multiple births and children of UK service personnel).

Multiple Births

Where there are twins or triplets wanting admission and there is only a single place left within the admission number, then the Governing Board will exercise as much flexibility as possible within the requirements of infant class sizes. In exceptional circumstances we are now able to offer places for both twins or all triplets even when this means breaching infant class size limits. This may also apply to children who are siblings within the same year group.

Non-Routine Admissions

It sometimes happens that a pupil needs to change school other than at the “normal” time; such admissions are known as non-routine admissions. Parents wishing their child to attend this school should arrange to visit the school. All parents requesting a school place, either because they are new to Blackpool, or because they are wishing to transfer schools within Blackpool, will be required to complete a Local Authority Application Form, allowing them to express up to 3 preferences. The admission of all students to Blackpool schools will be co-ordinated by the Schools Admission Team.

Once a place has been offered, we will contact their previous school to request records and prepare staff and children for a new child. On their first day they will work with appointed staff, who assess their ability and social levels so we can ensure the transition period is as smooth as possible.

Parents will always be given information about their right of appeal. Appeals for children moving into the area will not be considered until there is evidence of a permanent address eg. exchange of contracts or tenancy agreement with rent book.

Please note that you cannot re-appeal for a place at the school within the same school year unless there has been relevant, significant and material change in the family circumstances.

Waiting List

Where we have more applications than places for reception, the admissions criteria will be used. Children who are not admitted will have their names placed on our waiting list. The names will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants to the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible for a child who moves into the area later to have a higher priority than one who has been on the list for some time. If a place becomes available within the admission number, the child whose name is at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted. The waiting list will operate for the full autumn term.

Appeals

Where Governors are unable to offer a place because the school is oversubscribed, parents have the right to appeal to an independent admission appeal panel, set up under the School Standards and Framework Act 1998, as amended by the Education Act 2002. **Parents should notify the School Business Manager (clerk to the Governor's Curriculum and Standards Committee) of their wish to appeal within 10 days of being notified their initial application has been unsuccessful.** Parents will have the opportunity to submit their case to the panel in writing and also to attend the appeal hearing in order to present their case. You will normally receive 14 days' notice of the place and time of the hearing.

If your child was refused a place in Reception, Year 1 or Year 2 because of the Government limits on infant class sizes, the grounds on which your appeal could be successful are limited. You would have to show that the decision was one which in the circumstances no reasonable governing body should have made, or that your child would have been offered a place if the governors' admissions arrangements had been properly implemented.

Please note that this right of appeal against the governors' decision does not prevent you from making an appeal in respect of any other school. When the Admission Appeals Panel meets to consider the appeal their decision is final and binding both on the parent and the school.

Fraudulent Applications

Where the Governing Board discovers that a child has been awarded a place as the result of an intentionally misleading application from a parent (for example a false claim to residence in the catchment area or of involvement in a place of worship), which effectively denies a place to a child with a stronger claim, then the Governing Board is required to withdraw the offer of the place. The application will then be considered afresh and a right of appeal offered if a place is refused.
