# Information, advice and guidance for ethnic minorities

Last Modified July 24, 2017

The access and inclusion team works to ensure that children and young people from all ethnic groups have fair access and inclusion into education and other services offered by the council. The team champions the needs of:

- Young people from minority ethnic groups including youngsters from the gypsy, Roma and Travellers of Irish heritage communities
- Young people who are learning with English as an additional language

## Accessing the support of the service

You should contact your child's school in the first instance or, if you require advice or information regarding education, please contact us directly on 01253 476285.
