# School uniform grants

Last Modified May 26, 2021

Blackpool Council **do not** operate a school uniform grant scheme.

School clothing grants may be available to assist with the cost of school clothing for state-maintained school pupils whose families are receiving particular state benefits or have a low income.

Any monies received from the government towards the cost of school clothing are given directly to schools.

Please contact **your child's school directly** to see what their individual policy is and how you can apply **to them** for assistance with the cost of a school uniform.
