# Special diets and allergens

Last Modified February 13, 2018

[Skip to main content](#)

## Special diets

We can cater for most special diets and allergies. Please speak to the school office for more information. We will then contact you to arrange a meeting to discuss your child's dietary requirements in more detail.

We require supporting medical evidence relating to your child's condition such as a letter from your GP.

Our policy is to provide a menu for those pupils with medically diagnosed food allergies, intolerance or a medical condition.

We produce full details for the following list of allergens
