Moving from children's to adult services

Last Modified March 04, 2020

Young people, aged 16 or over who are preparing to move from children's services in to adult services can [contact us to get more information about adult community care assessments and referrals](#).

We can begin to discuss the assessment and transition process with you and your family including what kind of support/s may be available.

The council applies [charges for most services](#) provided through adult social care.

You will be offered a financial assessment to work out how much you will need to pay each week towards your support.
